

*Unbelievable Value, Unprecedented Performance™*

## **Registered 30-Year Product Warranty**

### **Leaf Rejector™ Material Warranty**

Leaf Supreme Products, a Nebraska limited liability company (L.L.C.) and manufacturers of Leaf Rejector™ warrants to you, the buyer, that under normal sunlight, exposure to the weather, natural elements, and proper maintenance, the painted finish on Leaf Rejector™ products will not peel, flake, chip, crack or blister for as long as the original registered purchaser lives at or owns the property described on the registration certificate and subject to the limitations set forth below.

### **Leaf Rejector™ Performance Warranty**

Leaf Supreme Products, L.L.C., warrants to you, the buyer, that Leaf Rejector™ will keep gutters and downspouts free flowing for the course of the Warranty term. We guarantee that, with Leaf Rejector™ installed, the interior of the buyer's gutter system and downspouts will not fill and clog with debris such as leaves, twigs, needles, or seeds, subject to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty. The Leaf Rejector™ gutter protection system is engineered to only transfer the drainage of rainwater into the gutter when properly installed and maintained. It is the responsibility of the installing dealer to assure that the Leaf Rejector™ system is performing as designed and has been properly installed.

### **Conditions**

For these warranties to apply, gutters must also be properly sloped, and the entire gutter system (gutters, downspouts and underground drains) must be cleared of any debris or obstructions. Any downspout screens also must be removed. All warranties will be null and void if the Leaf Rejector™ system is not properly installed as verified by Leaf Supreme Products, L.L.C.

### **Exclusion to Warranties**

These Warranties are granted to the initial retail purchaser and transferable with proof of transfer only, and cover only the manufacturing defects as specified herein. Warranties cover manufacturing defects only, and they do not cover any other damage or material failure including, but not limited to, normal fading, damage caused by conditions beyond the control of the manufacturer, such as improper installation, settling of the building, failure of the structure (including foundations and walls), use of incompatible equipment, chemical pollutants, salt, fire, flood, ice dams, hail, lightning, windblown objects, earthquakes, hurricanes, atmospheric conditions or other catastrophic weather as defined by the U.S. Weather Bureau, other acts of God, intentional acts, unreasonable use or failure to provide reasonable maintenance. Leaf Supreme Products, L.L.C., does not warrant and will not be responsible for any costs, defects or damage with respect to the removal or reinstallation of Leaf Rejector™ products or components. The geographical location, the quality of the atmosphere and regions where hardwood tree tassels and/or pine resin are prevalent in excessive amounts, may require that periodic maintenance occur in order to continue Leaf Rejector's performance excellence. This maintenance can typically be done by simply hosing off the panel with a high pressure nozzle and/or blowing debris off the Leaf Rejector™ panel with a leaf blower. Painting the specially coated Leaf Rejector™ products will void the Warranty. This warranty only covers genuine Leaf Rejector™. It is the buyer's responsibility to verify that the product installed is Leaf Rejector™.

### **To Submit a Warranty Claim:**

Claims for defects under this warranty must be sent to the installation company for service and resolution. Service calls for non-warranty repair or adjustment may result in a service charge. To submit a claim, please provide the following: Photographs to determine product authenticity and nature of the problem, a brief description of the problem and the date of the defect discovery. Send claims by mail to Leaf Supreme Products, L.L.C., P.O. Box 45589, Omaha, NE 68145. Claims sent by electronic mail or "email" may be sent to [support@leafrejector.com](mailto:support@leafrejector.com). Please allow 7-10 business days for your claim to be processed.
